INNOVATIVE SERIES

**Carbon Peel Pico-Laser Resurfacing Facial 60min/\$1680
(Dull, blemishes skin looking for fast resulting glowing skin)
5 Sessions / \$5880 10 Sessions / \$8400**

The Carbon Laser treatment exfoliates and purifies the skin, removing stubborn build-up of oil and other impurities that cause or aggravate acne and dulls your appearance. This minimally invasive procedure can even out your skin tone, reducing the signs of sun damage. To promote the growth of healthy collagen and your skin will appear more radiant and evenly toned.

**Pico-Focus Laser toning 60min/\$1680
(Sun damaged pigmentation, uneven skin toned skin)
5 Sessions / \$5880, 10 Sessions / \$8400**

*What is Pico laser energy?

The Pico laser works by sending **ultra-short pulses of energy – without heat – to targeted problem areas**. The laser's impact on the skin is intense, shattering the problem skin pigment or particles. The body then eliminates these naturally.

Pico Toning is a great treatment for **reducing skin discolorations and improving rejuvenation of the skin**. It uses ultra-short pulses of laser light to deliver tightly focused laser energy to the upper layers of the skin.

Liftera HiFU (High Intensity focused ultrasound) 60min/ \$1780

Dermal layer and SMAS, which is the target depth in the skin, can be applied with heating energy in two ways technique of micro-focusing and diffusion to give thermal effect to all layers of the skin. Strong thermal energy causes contraction and neo-collagenesis in the skin. Promised long lasting result on skin elasticity, lifting and tightening pores.

Futera Dots (Fractional skin resurfacing by Radiofrequency) 60min/ \$1680

Futera dots uses ultra-fractional multi-polarity radiofrequency to penetrate through the skin to allow more energy beneath the surface of the skin, to really maximize collagen production while keeping the top layer of the skin intact. To improve wrinkles, scar revision, textural irregularities and skin laxity. Mostly skin becomes smoother and more elastic.

****Experience the dual benefits of Liftera HIFU and Futera Dots in a single session for optimal, comprehensive results 75mins / \$2460**
