### INNOVATIVE SERIES

**Carbon Peel Pico-Laser Resurfacing Facial** **60min/\$1680**  
**(Dull, blemishes skin looking for fast resulting glowing skin)**

The Carbon Laser treatment exfoliates and purifies the skin, removing stubborn build-up of oil and other impurities that cause or aggravate acne and dulls your appearance. This minimally invasive procedure can even out your skin tone, reducing the signs of sun damage. To promote the growth of healthy collagen and your skin will appear more radiant and evenly toned.

**Pico-Focus Laser toning** **60min/\$1680**  
**(Sun damaged pigmentation, uneven skin toned skin)**

\*What is pico laser energy ?

The Pico laser works by sending **ultra-short pulses of energy - without heat - to targeted problem areas**. The laser's impact on the skin is intense, shattering the problem skin pigment or particles. The body then eliminates these naturally.

Pico Toning is a great treatment for **reducing skin discolorations and improving rejuvenation of the skin**. It uses ultra-short pulses of laser light to deliver tightly focused laser energy to the upper layers of the skin.

**Liftera HiFU (High Intensity focused ultrasound)** **60min/ \$1780**  
**\*special offer add on Futera Dots \$580**

Dermal layer and SMAS, which is the target depth in the skin, can be applied with heating energy in two ways technique of micro-focusing and diffusion to give thermal effect to all layers of the skin. Strong thermal energy causes contraction and neo-collagenesis in the skin. Promised long lasting result on skin elasticity, lifting and tightening pores.

**Futera Dots (Fractional skin resurfacing by Radiofrequency) 60min/ \$1680**  
**\*Special offer add on Liftera HiFU \$680**

Futera dots uses ultra fractional multi-polarity radiofrequency to penetrate through the skin to allow more energy beneath the surface of the skin, to really maximize collagen production while keeping the top layer of the skin intact. To improve wrinkles, scar revision, textural irregularities and skin laxity. Mostly skin becomes smoother and more elastic.

## **CREATIVE SERIES**

**Micro-Needling Ultimate Repair Facial 75min/\$2180**  
**(PDRN 3% AMPOULE, Multi Growth Factor Solution)**

This unique creative procedure will bring your skin resilience and youth. The micro-needling process will optimise product absorption to maximise the action of Hyaluronic acid, it allows for better, faster absorption by opening a vast number of micro channels in the skin. Giving you enhanced results.

**I-All Multi-Polar RF lifting Facial 60min/1480**  
**(Intergrated technology)**

Multi-polar RF is essentially electrical energy, which is converted to heat energy when penetrating the skin, it helps skin tightens, smooths and re-contours from inside out, which also rejuvenates the skin firmness and texture.

**Hydra Repair VC Firming Facial 60min/\$1380 . 75min /\$1580**  
**(Pure Vitamin C 13%)**

The two phases structure of pure vitamin C in water and natural vegan oil helps maintain the balance of oil and moisture in the skin. Combined with micro current Vroll device helps to penetrate active ingredients in deeper skin cell. This is to stimulate fibroblasts and activate vital cells with extracellular matrix, which will help to slow down the rate of free radical damage and reduce pigmentation.

**Dynamic Electro Firming Facial 75min / \$1580  
(Electroporation and EMS effects)**

Ideal for dull and dehydrated skin type. This facial starts with deep micro peeling to soften the skin. Also the electro stimulation opens pores of skin surface to help to penetrate solution into deeper layer of skin. It tightens and firms the skin. This dynamic treatments will bring back the time.
